By R. Kitchener

At a meeting at Woodhill Forest, the New Zealand Orienteers beat the Aussies. The Australian Orienteering Team returned to Australia on Monday without one piece of luggage, the Cerebos Cup for senior orienteers. This was deservedly won by the New Zealand team on Sunday in the Rothmans International.

The Auckland Championships were held in conjunction with the International and Colin Battley took the Auckland Elite title with his fine run. He beat the next Auckland, Gordon Pirie, by 27 minutes

The New Zealand under 19 girls team also won by an aggregate total of 42 minutes, Jane Wood surprised everyone by coming home first and ahead of team captain Diane Smith.

The Australian Veterans team take home the Dominion Breweries Rosebowl by beating New Zealand by 32 minutes. Although New Zealand had second, third and fifth places, Ian Hassel of Australia stormed home in an extremely fast time for first race.

## AUSTRALIAN WIN

The Australian women's team soundly beat New Zealand by 67 minutes on aggregate despite fast runs by Val Robinson and Trish Burbridge for second and third. Trish was the nominated reserve but beat three fellow team members.

The Australian under 19 boys romped home, thanks mainly to a sizzling run by Maurizio Ongania who regularly beats senior men in the Australian competitions.
